

# WEEK 7:

# Create Your Presentation

# Week 7: Create Your Presentation

**Goal:** Design a display to showcase your project.

## Tasks:

- Write a detailed report including the following sections:
  - **Title:** A clear and engaging title for your project.
  - **Introduction:** Background information and purpose.
  - **Hypothesis:** Your testable prediction.
  - **Materials and Methods:** A detailed description of what you used and did.
  - **Results:** Data presented visually and explained in text.
  - **Conclusion:** Your findings and their implications.
  - **Bibliography:** A list of sources.
  
- Design a display board with clearly labeled sections, ensuring it's neat and easy to follow.

## Science Fair Board Template:

If you're submitting your project digitally, use this Canva template to design your science fair board

**Tip:** Focus on clarity and professionalism; your display should reflect your effort and knowledge.

# Rigorous Science from a Christian Worldview

At Journey Homeschool Academy, we're passionate about equipping families to homeschool with confidence while fostering a lifelong love of learning. We offer a wide range of engaging, video-based science courses designed for students from elementary through high school. Each course is crafted to make science approachable, exciting, and memorable for students – whether they're discovering the wonders of astronomy or diving into the complexities of biology.

## Why Choose Journey Homeschool Academy?

- **Engaging Video Lessons:** Each course features high-quality video instruction led by experienced educators who are passionate about their subjects.
- **Hands-On Activities:** Lessons include hands-on experiments and activities that bring science concepts to life, making abstract ideas tangible and fun.
- **Comprehensive Resources:** From easy-to-follow guides to supplementary reading lists, we provide everything you need to guide your child through their learning journey with ease.
- **Flexible and Family-Friendly:** Our courses are designed to fit seamlessly into your homeschooling schedule, allowing you to work at your child's pace and adjust for your family's unique needs.
- **Faith-Based Learning:** We integrate a biblical perspective into our lessons, helping students see the wonder of God's creation in every aspect of science.
